**RE: 2011 Candidate Questionnaire**

Dear Ms. Chernetz:

I thank you for your invitation to complete the questionnaire from the Tri-State Transportation Campaign. I believe that my voting record and legislative portfolio is indicative of my support for New Jersey's transportation network, its continual maintenance and expansion, and the promotion and support of our public mass transportation system. I would ask that you consider endorsing me based upon my record alone.

Thank you for your attention to this matter.

Best regards,

  
Craig J. Coughlin
