Re: Long Island Bus

Dear Mr. Mangano:

I am writing in support of the Tri-State Transportation Campaign and Vision Long Island regarding funding for Long Island Bus in the 2011 budget.

Tri-State Transportation Campaign and Vision Long Island have many concerns regarding the 2011 budget for Long Island Bus. I am enclosing their September 20, 2010 letter addressing these concerns. In their letter, they provide several recommendations for how increased county revenue could be achieved and existing funds could be reprioritized for Long Island Bus. Therefore, I request that you investigate these possible revenues and reprioritized funds, and use them to fund Long Island Bus for the 2011 budget.

Thank you for your anticipated courtesy and cooperation. Please keep me advised as to the status of this matter.

If I can be of further assistance, please feel free to contact me.

Very truly yours,

David Denenberg
